ENVIRONMENTAL POLICY

Section No. 21

Part No. 1

Revision No. 1

Date:- 01/12/16

Doc Ref:- POL14

Set Produce is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to our company.
- Use an accredited program to offset the greenhouse gas emissions generated by our activities.
- Set Produce will comply with all relevant environmental legislation
- Train all inexperienced staff and regularly update and reconfirm with members of staff, importance of awareness of environmental issues and enlist their support in improving the Company's performance.
- We will wherever possible advise suppliers of our practices and advise similar principles by its suppliers.
